Integration management for refugees

What do you need to improve your situation in Freiburg?
Integration management supports you and helps you:

- ✚ attain your personal goals in Freiburg
- ✚ find the matching integration offers for you, e.g. German course, job training, a job or accommodation
- ✚ get into contact with integration offers
- ✚ make headway with other topics, e.g. health, family or leisure time

We are happy to consult you on all your questions, in the residence, at your home or at the Office for Migration and Integration.

More information can be found on the internet at
